7:43am

Richard & Linda Thompson "Man in Need"

from Shoot Out the Lights (Hannibal 1982) —On the short list of greatest albums of all time.

7:39am

Cass McCombs "Cry"

from Mangy Love (Anti/Epitaph 2016) N —I love the contrast between the affirmative guitar chords and the laid-back vocals.

7:34am

Leonard Cohen "Treaty"

from You Want It Darker (Columbia 2016) N —I think this is my fave song on this brilliant new record.

7:30am

André Cymone "Hallelujah"

from Black Man in America (Blind Tango 2016) N —The first original take on this Leonard Cohen song in 25 years.

7:25am

Luke Winslow-King "I'm Glad Trouble Don't Last Always" (Bloodshot Records

www.bloodshotrecords.com 2016) N —Devastating break-up leads to magnificent song.

Neko Case "Eighty"

from *Blacklisted* (Bloodshot 2002) —You can't really have too much Neko Case, can you?

7:17am

The New Pornographers "Crash Years"

from *Together* CD ALBUM (Matador 2010) —They have put out so many terrific songs, you can almost choose the hits at random.

7:14am

Matthew Sweet "Sunshine Eyes"

from *Sunshine Lies* (Shout! Factory 2008) —A tough rocker from Matthew Sweet, with great guitar from Richard Lloyd!

7:08am

Keokuk "Can You Hear Me"

from *Keokuk* (self-released 2016) L —I've been following the music of Kurt Hendricks for almost 36 years, and this is one of the best songs I've heard him sing.

7:04am

Aquitaine "Leave U Behind"

from *Transformation* (self-released 2016) L —They'll have their album release party next Friday, Nov. 11, at the Duck Room in Blueberry Hill.

7:00am

The Vondrukes "Like Oxygen"

from *On This Ride Together* (Single Street Records 2016) N L —Starting things off with some great St. Louis music.

Like everything else, times are approximate. Spinitron and this station are not liable for errors or omissions.
